average pace of 8.4 miles/day

meet John the late afternoon of Aug 9 - he will bring dinner and we can get organized for an early start the next day.

8 breakfast; 9 lunch; 8 dinners

So, this is 8-9-days of food. Gorge with John Ladd at Sonora, camp there, start out early the next day (breakfast by John too!)

PCT Sonora to Echo

								resupply

WOLF CR.

LILY PAD LK.

RAIN - STOP AT CARSON PASS

PCT map start mileage is 1018.5; PCT Data Book start mileage is 1031.5

PCT map says section J is 76 miles while the Data Book says it is 71.2

Resupply at Echo Lake Resort - need to mail resupply packages

Resupply to start section J is via John Ladd, mail package to John in SF

Eat evening meal at resort? Not likely, deli open 9-5. Where to camp that evening, after resupply?
Move a few miles after repacking, split distance somewhere on trip - need to camp at water, however.

6 breakfast; 7 lunch; 6 or 7 dinner -- can eat lunch and early dinner at resort

10.9 miles per day average pace

PCT Echo to Donner Pass 7-10-2012

average pace of
8.4 miles/day

Add rest day - so, out Aug 25th

Question - day hike from Hwy 40 to Hwy 80, return to pack and to Truckee?

Start of this section: Echo Lk Resort, map mile 1094.5 and data map mile 1103.1

continuing dates based on Sonora-Echo 12 mile average plan and no layover at Echo

build in one no-hike day, so - 8 breakfast; 9 lunch; 8 dinners

dates based on preferred sonora-echo pace of 10.9 miles/day, which results in starting this section on the 17th
