

# YEAR OF THE MOMBIES

THE "PROTECT LIFE ACT," RECENTLY INTRODUCED IN CONGRESS, SAYS DOCTORS CAN LET A PREGNANT WOMAN DIE IF SAVING HER LIFE KILLS THE FETUS.

BLASTOCYST =  
LIFE

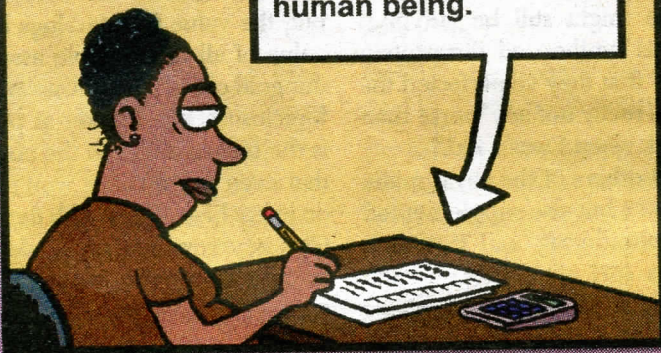

FULLY-GROWN WOMAN:  
EXPENDABLE  
FETUS-MOBILE!

BUT IF PREGNANT WOMEN DON'T COUNT AMONG THE LIVING... TECHNICALLY THAT MAKES THEM THE UNDEAD.

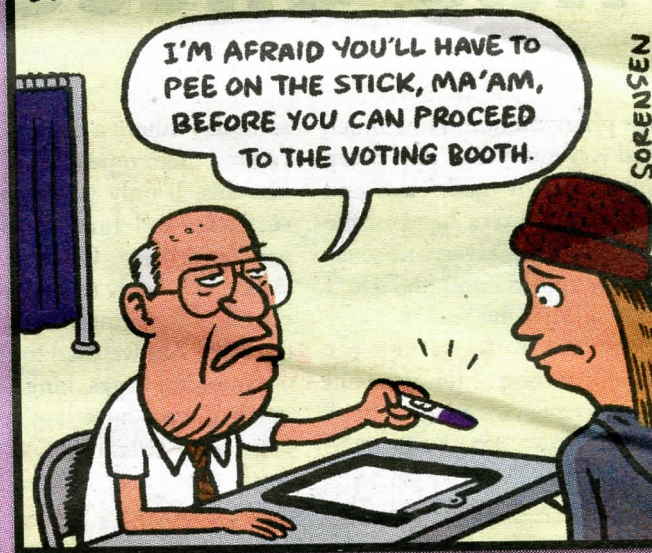

WHICH RAISES IMPORTANT LEGAL QUESTIONS, SUCH AS: DO UNDEAD BABY-INCUBATOR ZOMBIES NEED TO PAY TAXES?

Report all W-2 income  
UNLESS you are but a  
vessel for an actual  
human being.

AND CLEARLY PREGNANCY TESTS WILL BE REQUIRED AT THE POLLS SO THAT ONLY LIVING WOMEN VOTE!

SORENSEN
